

HEALTHCARE FACILITIES:

In light of recent staff shortage, the healthcare field particularly has suffered immense burn out. Patient numbers have increased, medical units and even hospitals have been closed down due to lack of employees. That's where, We, Andest Medical Staffing come in!

Andest LLC. Caters for staffing shortage fast and efficiently. Our company is considerate of client needs; we offer per-diem solutions as they arise, and travel, long-term staffing solutions providing coverage for as long the facility needs.

Nursing homes, assisted living facilities, group homes, home care services, hospitals, adult home cares, Transitional Care units, Independent Livings and even laboratories have reported so much relief and efficiency in utilizing supplemental staffing agencies. Andest LLC partners with other staffing agencies to give healthcare facilities the ability to have a vast pool of trained and/or licensed healthcare personnel to cover them.

Rates – Andest bills per MN maximum state rates. ([Link here](#)).

Why Andest?

-  **Real-time communication** – With one click, your shifts are uploaded, and available to hundreds of healthcare personnel to cover. Notifications are sent to everyone. Our system enables secure direct messaging with involved parties.
-  **Compliance** – Both facilities, staffing agencies and employees stay compliant with MN statutes and company policies by uploading required documents in their respective accounts.
-  **Flexible & Simple process** – Every step starting from signing up to requesting services is simple and can be done at the comfort of your home in your convenient time.
-  **User friendly Software** – Our system is built to enable easy navigation. Our Team is available 24/7 to answer any questions.
-  **Networking** – Come meet our agents at College Career Conferences! Our Career building managers host conferences in various cities to provide networking opportunities for individuals looking to join the work force.
-  **Electronic invoicing** – All invoices are electronically generated and received by your billing department inclusive of geo-tracked electronic timesheets.
